Currently Certified Asbestos Management Planners

AS OF 3/15/2018

List Ordered by Last Name

Certification as an Asbestos Management Planner authorizes the consultant to utilize information developed from facility inspections to assess potential hazards of ACM, to develop O&M plans, and to select and recommend asbestos hazard control and abatement actions.

The Licensed Asbestos Management Planners listed below are those who have agreed to have their information distributed. It is not a comprehensive list of all Licensed Asbestos Management Planners in Massachusetts.

The certification information of the above-listed Lead Asbestos Management Planners is updated monthly. While most management planners renew their certification on or before the expiration date of the certification, DLS recommends that you call our office at (617) 626-6960 to verify a management planner's certification status prior to engaging a management planner.
